

NEWLY INSTALLED PLANTS & TREES

For newly installed plants and/or trees, set sprinklers (or hand water, whichever is applicable for your situation) to liberally soak the plants 1-2 times daily.

- **Temps 79 degrees or Less: Water 1 Time Per Day:**
- **Temps 80 degrees or Higher: Water 2 Times Per Day:**

Pruning: We recommend pruning ornamental trees and shrubs one time per Season in the Fall.

Cutbacks: We recommend cutting back perennial and ornamental grasses one time per Season in the Fall.
